

WHAT YOU MUST DO IMMEDIATELY

VISA

- ❑ **Make application to the nearest Italian Consulate for your study visa. Take the letter of acceptance and the visa request letter written in Italian which were sent to you as documentary evidence (in addition to your passport!).**

TRAVEL

- ❑ **Make your reservations. You are expected in Duino on Thursday 28th August-Friday 29th August. Inform the College, ideally by fax or by email, of your date and time of arrival. See Travel Instructions for further advice. It is advisable to travel with your second year if you have one.**
- ❑ **Note the dates below for the beginning and end of the winter holiday. Make reservations now if you plan to travel home. You will not be permitted to leave the College early simply to catch a more convenient or cheaper flight. And you will be expected back on time.**
- ❑ **If your air ticket is included in the scholarship, you will be sent a pre-paid ticket. Your National Committee will be able to give you all details concerning the date and flight as soon as our business office has made the arrangements.**

DOCUMENTS

- ❑ **Complete and return the documents as requested to the Admissions Office, together with eight colour photographs which should have your name on the back of each one.**

MEDICAL FORM

- ❑ **Have this completed by your family doctor and your parents and return this too without delay. Accurate completion of this form is essential if we are to take proper medical care of you. This must be received by July 6th, in time for the College Medical Staff to review it.**
